Notes:

1. These figures, compiled from the reports of respective Ministries/Departments, may be impacted interalia, by any ongoing liquidation/disputes and improvements in capture of data.
2. Some of the defaulting PSUs are either sick or under revival through Board of Industrial and Financial Reconstruction (BIFR)/Board of Reconstruction of Public Sector Enterprises (BRPSE). Most of them do not have capacity to service the loans given by Government, which is one of the key reasons for accumulation of arrears.
3. Figures are rounded off.
