The statement above summarizes, the estimates of Non-Tax Revenue (NTR) for 2014-15. The estimates of Non-Tax Revenue receipts from various sources such as return on assets in form of dividend and profits, interest, fees, fines and miscellaneous receipts collected in the exercise of sovereign functions, regulatory charges and license fees and user charges for publicly provided goods and services.

**1.01. Interest on loans to States:** The interest receipts are estimated at ₹ 8523.19 crore in Revised Estimate - 2013-14 and ₹ 8358.79 crore in Budget Estimate 2014-15. The Thirteenth Finance Commission (FC-XIII), for its award period 2010-2015, has recommended that the facility of Debt Consolidation, recommended by the Twelfth Finance Commission (FC-XII) be extended to States of Sikkim and West Bengal, provided these States enact Fiscal Responsibility Budget and Management Act (FRBMA) as stipulated by FC-XIII. The States of Sikkim and West Bengal have enacted their Fiscal Responsibility Legislations (FRLs). Accordingly, the Central Loans (from Ministry of Finance) contracted up to 31.03.2004 and outstanding at the end of 31.03.2010 have been consolidated for a fresh term of twenty years at an interest rate of 7.5%.

FC-XIII has also recommended write-off of loans from Government of India to States for Centrally Sponsored Schemes/ Central Plan Schemes administered by Ministries/ Departments other than Ministry of Finance outstanding as at the end of the preceding year in which FRBMA is enacted/ amended as stipulated by FC-XIII.

The interest rate on National Small Savings Fund (NSSF) loans contracted by the States till 2006-07 and outstanding at the end of the year preceding the year in which FRBMA is enacted/ amended, to be re-set at a common interest rate of 9% per annum in place of 10.5%. The re-payment schedule, however, is to remain unchanged. It has been decided that a State will be considered eligible for NSSF interest rate relief from the date the FRBMA is enacted/ amended in accordance with the recommendations of FC-XIII. Further, from the financial year 2012-13, continued compliance with FRBM targets is necessary to avail interest relief in respect of NSSF loans. Almost all States except Goa have in place FRBMAs in consonance with targets as stipulated by FC-XIII. However, from 2006-07, these losses are being reimbursed through provision under the Demand of Department of Economic Affairs, (iv) In years in which the net revenue of the Railways is not adequate to meet the current dividend liability, the shortfall in the payment of the current dividend is treated as deferred dividend liability (on which no interest is charged) to be discharged by Railways from surplus in future years. (vi) Out of the 1.5 per cent dividend paid by the Railways on the pre-1964-65 capital an amount of ₹ 23.12 crore is contributed by the Railways for being passed on to the States as grant in lieu of the repealed tax on railway passenger fares and the balance which hitherto was contributed to the Railway Safety Works Fund, is from 2001-2002, credited to the Railway Safety Fund directly by the Railways with the approval of Ministry of Finance and the RCC.
