NICDIT is under administrative control of DPIIT and presently 11 different Industrial Corridors and various other Industrial Corridors which might come in future will also function under the administrative control of NICDIT.

The development framework for the industrial corridors is based on the partnership approach between GoI and the respective State Govt.(s) where GoI provides funds as equity and/or debt to city/node/project Special Purpose Vehicles (SPVs) for development of trunk infrastructure, the States are responsible for providing land as part of their equity in the city/node/project SPV.

8. **Scheme for Investment Promotion:** Investment Promotion is a multi-faceted strategic activity that pursues bringing Investment opportunities to the existing and potential investors. To garner the benefits of influx of capital, jobs, skills, technology, productivity, and innovation for a country, Investment Promotion requires continuous efforts to be channelized around the main activities such as Foreign Direct Investment (FDI) reforms, Investment facilitation and Targeted outreach.

To increase the investment inflow, the Department for Promotion of Industry and Internal Trade (DPIIT) has been undertaking various initiatives and reforms such as the launching of Make in India, supporting champion sectors and sub-sectors, setting up of an Empowered Group of Secretaries and Project Development Cells, creating an Industrial Information System and National Investment Clearance Cell amongst others. The components for continuation of the Scheme for Investment Promotion for 2021-22 to 2025-26 include Investor targeting and facilitation - Domestic and International activities, Investment promotion - Amplification and outreach activities, Project management activities and Foreign travel.

9. **Fund of Funds:** The Fund of Funds for Startups Scheme was approved and established in June 2016 with a corpus of ₹ 10,000 crore to provide much-needed boost to the Indian startup ecosystem and enable access to domestic capital. The Scheme is operationalized by Small Industries Development Bank of India (SIDBI). Under FFS, the Scheme does not directly invest in startups, instead provides capital to SEBI-registered Alternative Investment Funds (AIFs), known as daughter funds, who in turn invest money in growing Indian startups through equity and equity-linked instruments. SIDBI has been given the mandate of operating this Fund through selection of suitable daughter funds and overseeing the disbursement of committed capital. AIFs supported under FFS are required to invest at least 2 times of the amount committed under FFS in startups.

10. **Fund of Funds 2.0:** New scheme namely Fund of Funds 2.0 has been formulated as Startups Scheme with extended scope to provide boost to the Indian startup ecosystem and enable access to domestic capital.
